Hebrew (Native)

Experience

July 2023 - August 2024

Wolf's Den Game Studio, Remote

Technical Sound Designer

- Implementation & mixing of audio assets using UE5 & Wwise
- Creating custom UE tools & Wwise workflows using various technologies (Procedural Content Generation), generating efficient & dynamic ambience
- Working with sound designer & devs, ensuring product quality & efficiency
- Created and maintained workflow pipeline with the Sound Designer
- Communicating & profiling audio performance in the project
- Collaborating on project using Subversion source control
- **This was a voluntary position I took to further my knowledge and skillsets**

August 2024 - January 2025

Crater Studios, Remote

Sound Designer

- Rapidly onboarded and adapted to the teams workflow
- Traced, debugged & resolved existing audio issues in UE & FMOD
- Re-worked audio-dev pipelines using docs, data assets and proper naming
- Re-structured and standardized mixing settings for different groups of sounds in the game (weapon attacks, spells, amb, enemies, bosses etc...)
- Collaborated with devs to refine audio implementation strategies
- Designed fantasy-style SFX for spells, abilities, and weapon attacks
- Created SFX for monster attacks, abilities, and boss encounters

May 2021 - May 2025

Artlist, Tel Aviv

Sound Designer

- Created requested REAPER scripts for automation of large scale audio tasks
- Created & led process of in-house SFX recording, designing & mastering
- Recorded, designed & mastered SFX in for the company's catalog
- Communicated with other departments, managed personal & cooperative tasks using Jira/Monday
- Field recorded & sound designed for video projects in cooperation with the Productions Department
- Creating & maintaining research & workflow documentation
- Managing all aspects of a project (SFX, VO, music, mix, deliverables)

Education

2017 - 2019

Certificate: Sound Design And Engineering
Pluto Studios & Shenkar College Of Engineering - Israel

2010 - 2012

High School Diploma
Harel High School - Israel
